

Dryden & District Agricultural Society – DDAS

The DDAS invites tenders for Parking Control (male/female) during the Fall Fair August 21/22/23/24, 2024.

The successful bidder will work under the direction of the 2nd Vice President. The name and contact information of the person in charge of the parking attendants, each day, must be provided to the office so it can be provided to the 2nd vice president. The 2nd vice president will communicate to that person and then in turn will be responsible to relay the information to the parking attendants. All attendants will require safety vests and flashlights (provided by DDAS for the event).

August 21. The successful bidder will be responsible to mark/rope out the parking area, to allow for the free flow of traffic in and out of the grounds and provide specific parking areas for the directors, the handicapped, and livestock trailers as directed by the 2nd Vice president.

August 22-24 from 8 a.m. till 11 p.m. There must be a parking attendant assigned to the drive-in gate to ensure:

A) that a safe unloading area is provided for seniors, and the handicapped, prior to the vehicle being taken to the parking area.

B) that no animals other than those in the livestock shows are permitted on the grounds.

No Dogs Please.

There must be an attendant at the exit gate to ensure no entrance through that gate except for livestock trailers and Emergency vehicles if required (Fire, Police, Ambulance).

There must be sufficient attendants in the parking area to:

A) Keep traffic moving and to provide direction to parking spots that may have become vacant, allowing patrons to park as close to the fair as possible.

B) to assist patrons to find their vehicles, especially in the evening.

August 25 between 10:30 a.m. and 2 p.m., the successful bidder must gather up all the equipment (vests, flashlights, ropes, signs, etc.) and return to the office. They must provide an invoice to the office for payment to be paid immediately or it will be paid upon receipt of the invoice.

Lowest or any bid not necessarily accepted. Bids must be received by August 1, 2024.
