PRESIDENT'S MESSAGE

Welcome to our 117th Fall Fair! You’d be hard-pressed to find another event that’s been running successfully for as many years as ours. We have so much pride in our event, our volunteers and our sponsors who make it all possible. I would personally like to thank our amazing group of directors and volunteers for the many hours they have invested in this event to make sure it’s something we can all be very proud of. We hope that you take time to enjoy all that our fair has to offer. We have a very full three-day schedule, with something for everyone.

Our exhibit hall boasts the talents of many local exhibitors. Everything from handcrafts to baking, photography to produce. Our area is thriving with local artists and producers! Stroll through the barns and help us celebrate our local farmers as they show us their award-winning livestock and poultry. Stop at the horse arena to watch some exciting horse show activity and join us Friday night at the cattle ring for our annual market steer auction, where we celebrate the success of our local 4-H youth.

Make sure you hit up our food booths to support local businesses and service clubs and enjoy the daily entertainment on the Moody stage.

We pride ourselves on having something for everyone to enjoy, “Bring a Chair and Enjoy the Fair” is our fall fair theme, and we can’t wait to see you!

Lisa Koshel
DDAS 2024 President

OAAS DISTRICT 15 ASSOCIATES

Dryden and District Agriculture Society is one of six fairs in the District 15 Region. Other societies include Canadian Lakehead Exhibition, Hymers, Murillo, Rainy River Valley District, and Kenora. Representatives from each fair meet annually in the fall to discuss our common fair interests and concerns. Butter Tarts, Chocolate Chip, Poster, and Quilt, 1st place winners from each fair are judged at this meeting to determine the district winners. They also meet each spring and host a judging school to ensure our judges are OAAS qualified.

We are also a member of the Ontario Association of Agricultural Societies (O.A.A.S.). In February the OAAS hosts its annual convention. Delegates to this meeting may take the district competition winning exhibits for provincial competition.

Location and dates of other fairs across Ontario can be found at ontarioagsocieties.com/our-fairs

Knitting to be done by hand unless stated otherwise.
Starch optional.
Knitted articles may be finished with a crocheted edge.

Fair Isle is a specific form of colour work knitting named for Fair Isle, a small island off the coast of Scotland where knitters were known for their skill with the technique. Fair Isle traditionally uses two colors of yarn in a row, though more than two colors can be used in a project. The yarn that is not being worked is carried along the back of the work, creating strands or floats that make the knitting twice as thick as it would otherwise be.

JUNIOR FAIR RULES:

1. Junior Fair applies to ages 16 years and under
2. Ages are all as of May 1st of the current year.
3. Anyone wishing to compete in an older age category may do so; however, points will only be accumulated in their own age group

JUNIOR GARDEN COMPETITION

We hope you will encourage and lend your guidance to provide the opportunity for your children to participate in planting a garden. All children, both rural and urban, in the Dryden district are eligible to participate. The rules of this competition are stated below. To avoid disappointment be sure to follow the instructions carefully. Gardens which do not comply with these rules may be disqualified. Sizes are a guideline only with the increased use of containers and raised beds such as the community gardens, size of garden will not be a reason to disqualify if it reasonable for the age level.

Children who have a garden in this competition or have actively participated in another garden will be eligible to display vegetables and flowers to compete in produce classes. Children are not restricted to entering only the number of items for their gardens ie: they may have carrots to enter in more than one size category; or they may have flowers/vegetables in another garden separate from their fair garden.

INSTRUCTIONS:

1. All gardens are to be divided off from the family garden and to have a name marker
2. Thin vegetables to allow the remaining plants to grow rapidly and with better shape.
3. Child must plant, weed, and care for the plot on their own throughout the summer season.
4. Child's age as of May 1st of the current year, will be the qualifying age to state on the application form, and will be used to select proper class.
